

Philippine Airlines Commission Structure

Dear Trade Partner,

Welcome to the Heart of Filipino!!!!

We are happy to announce the following Commission structure for our trade partners in India
Please find below commission structure for PR – Philippine Airlines.

IATA 02 letter code: PR | Document 03 digit code : 079 | IATA commission : 3%

Normal Commission:

International Passenger Sales

Three (3%) percent of the gross published fare on the international air transportation services and on domestic sectors, including domestic code-shared flights, sold in conjunction with or forming part of an international journey sold thru the Principal's company traffic documents.

Domestic Passenger Sales Stand Alone (if rates are in USD)

Three (3%) percent of the gross published fare on the Principal's domestic air transportation services, including domestic code-shared flights sold thru the Principal's company traffic documents, independently and not in conjunction with nor forming part of an international journey.
